

FAQ's

1.) Is this actually a beer for dogs?

Yep! We use all the same equipment as a brewery. We just skip the fermentation process. (Ppsss...the alcohol part)

2.) Can humans drink it?

SUUURE! BUT it is made for a dog's palate. You may find it bland & yes, we've tried it.

3.) Is it alcoholic?

No, it is not alcoholic and does not contain hops.
***Alcohol and hops in beer is toxic for dogs.

4.) No synthetic preservatives are used

5.) Do you ship?

Absolutely! Please leave your email address on our signup sheet for more shipping information & new brews.

6.) How much should you give your dog?

It depends on the weight of your dog but it is NOT harmful to consume the entire can in one sitting.

- a. For smaller dogs: the brew will last for 5 days after opened in the fridge so that the snack can last longer

7.) How should you serve Good Boy Dog Beer?

It can be served room temperature or cold. Not every dog likes cold items.

8.) What do I serve the dog beer in?

You can serve it in a dog bowl as a treat or over their food. **IT IS NOT A MEAL REPLACEMENT.**
