

# DON'T FORGET YOUR DOG'S BEER!

Take it to the pool, beach, dog park or even your favorite pub and enjoy a cold one with your best friend!

## FAQ's

Is this actually a beer for dogs? **Yes!**

Can humans drink it? **SUUURE! BUT it is made for a dog's palate. You may find it bland & yes, we've tried it.**

Is it alcoholic? Does it contain carbonation? **No, it is not alcoholic and does not contain hops or carbonation.**

How much should you give your dog? **It depends on the weight of your dog but it is NOT harmful to consume the entire can in one sitting.**  
\*\*\*For smaller dogs: the brew will last for 5 days after opened in the fridge so that the snack can last longer

How should you serve Dog Beer? **It can be served room temperature or cold. Not every dog likes cold items but they sure are refreshing as ice cubes in those summer months!**

What do I serve the dog beer in? **You can serve it in a dog bowl as a treat or over their food.**

IT IS NOT A MEAL REPLACEMENT.
